

# Human Relief Foundation... Bangladesh Emergency Appeal

**10,000 feared dead  
Millions homeless  
Thousands injured & missing**

The lack of drinking water and medicine has already had an impact causing diarrhoea and other infectious diseases to manifest.

As the death toll rises, the need for emergency help is critical. Food, water, shelter, clothing and vital medicine are all **URGENTLY** required.

Human Relief Foundation desperately needs **YOUR** support so it can continue to help the people of Bangladesh in order to alleviate their pain and suffering.
